

# Bromham Beavers

## AGM Report 2011

We currently have a full colony of 24 beavers and we are running an interesting, varied and exciting programme.

Last term the beavers had the opportunity to get creative and learn about our global community. We were visited by a Morris dancer, learnt circus skills and made toffee apples, pancakes and junk models. We also made new friends when Brickhill Beavers came to visit.

The colony has also taken part in a number of district events this year including the St George's Day celebrations and the bridge walk.

In order to celebrate 25 years of Beaver Scouts a number of our beavers and leaders attending the County Beaver Sleepover at Wickstead Park, with over 600 Beavers and leaders. A fun packed weekend, loved by all.

This term we have already made mini campfires and had the first ever Bromham Beavers mini hike to Stevington Windmill. We still have plenty to look forward including a visit to Thurleigh Farm Centre, bell boating and a water fight. Also in October there will be the next beaver sleepover.

All the beavers are having lots of fun and earning challenge badges every term.

We would like to thank all the parents, helpers and leaders for all the on going support with colony evenings and sleepovers.
